

INVENTO SL S32 3T - Scissor lift

Invento SL S32 S is **on-floor mounted** lift for subliminal lifting of vehicles weighing up **to 3 tons**, which, in combination with platforms with a length of **over 2 m**, allows for servicing cars, SUVs and vans.

Description

Invento SL S32 S is an on-floor lift for subliminal lifting of vehicles weighing up **to 3 tons**. SL S32 has platforms with a length of **over 2m**, adjustable to facilitate everyday work. It enables the lifting of vehicles to a **height of 1.9 m**.

Key information about the jack:

- mechanical safety lock with automatic unlocking
- **only 105mm high when folded**
- synchronized movement of platforms
- **800mm of free space** between platforms
- adjustable platform length

Invento SL S32 lift is equipped with the necessary safety features required for obtaining CE marking. This guarantees long and safe work in the workshop.

The lift is designed for installation in covered, closed rooms without any obstacles. Working temperature in the range from -5 ° C to 40 ° C.

Mounting requirements:

- The jack must be placed on a C20 / 25 concrete floor with a thickness of at least 15 cm

Technical data

5906288301899	
Lifting capacity	3 000 kg
Lifting height	1 900 mm
Minimum height	105 mm
Platform length	1 495 mm / 2 025 mm
Platform width	6595 mm
Scissors spacing	800 mm
Total width	1 990 mm
Lifting time	60 s
Electric power supply	400V/50 Hz
Power	3 kW
Warranty: 12 months
